Present:

Lewis (Chair), Mike (Secretary), Claudine, Cerys, Sally, Paulus,

Apologies:

Sam (Treasurer)

Landfill Disposal Tax - £50k:

Did not submit in the end – after Mike's challenging meeting with C3SC we will defer to another point in time (it may possibly run in Spring 2019 yet no solid confirmation as yet)

ACTION: → *Look into working families lottery grant*

→ *Look into funding portal for other options*

Green Drinks Cardiff:

1. Successful event – approx. 20 people and 2 long tables filled.
2. 12 months dates created on FB reminder to everyone &
3. Option for people to chose new venues to have Cardiff Green Drinks at!
4. Revisions made on calendars to ensure recognition
5. In future – try and ensure people rotate to talk to everyone who attended.

ACTION: *Continue to publicise event – make it a regular thing people know will run indefinitely every month.*

Orchard Cardiff:

Vaida not able to attend tonight.

Lewis was unable to get meeting with 1 Fox Lane – yet Kate and Angharad were on their respective holiday so window of opportunity to sit down with them very finite.

Orchard Cardiff should be constituted so they can apply for separate grants for i.e. new industrial level apple press.

Could bottles of 'Cardiff Apple Juice' be sold i.e. at Ripple, Pen Y Lan Pantry.

ACTION: Support Vaida with Renew Wales stuff

Show & Tell event – mid 2019?

Paulus spoke to Maes Y Coed for 15-20 minutes – gave them Cardiff Transition email etc.

Paulus now in touch with Bike2Ride – it is Pat B's family member who now works them (left council) and is interested in Green Drinks and possibility of Show & Tell – Paulus sent them YT video link to 1 Fox Lane Show & Tell.

ACTION: Sally & Cerys will go up to Maes y Coed to speak to them.

Cardiff Transition LIBRARY:

Linking to Benthg / Library of Things – get more people using #CdfTransLIB

Could this be opportunity that books are stored at Benthg – to get people to go up there and interact/look around Library of Things.

ACTION: If Cerys get post with Benthg
